¹ Occupations from 2nd Quarter 2009 Indiana Career Connect Job Listings

² One-level (step) up occupations are only intended as examples, based on overlapping skill sets. Please see your WorkOne or the Hoosiers by the Numbers website for additional information on skills-based career pathways in the Indiana Career Guide.

* 2008 State Median Wage

Wages shown are taken from the EGR 6 2008 Occupational Employment Statistics Estimates.

Research has highlighted the increasing importance of skills, basic and otherwise. Employees develop skills through a variety of ways including past work experiences, job training, and higher education. Learning new skills will help you to further your career or find a new job in a different field. The information presented here will assist individuals investing in career preparation, planning for a career change, or offering guidance in career development.
