CS3 Occupations are listed in descending order based on number of openings.

One-level (step-up) occupations are only intended as examples, based on overlapping skill. Please see our WorkOne or the Hoosiers by the Numbers website for additional information on skills-based career pathways in the Indiana Career Guide.

* State Median Wage

Source: Indiana Workforce Development, CS3 (Customer Self Service System) data - 1st Quarter 2008 and OES (Occupational Employment Statistics) wage data - 2006 survey.

Research has highlighted the increasing importance of skills, basic and otherwise. Employees develop skills through a variety of ways including past work experiences, job training, and higher education. Learning new skills will help you to further your career or find a new job in a different field. The information presented here will assist individuals investing in career preparation, planning for a career change, or offering guidance in career development.

Education Key

AD = Associate's degree
BD = Bachelor's degree
LTOJT = Long-term on-the-job training
MD = Master's degree
MTOJT = Moderate term on-the-job training
PC = Postsecondary certificate
STOJT = Short term on-the-job training
WE = Work experience
